The City Council hereby ratifies, reconfirms and accepts the terms and conditions of the acceptance of its loan application by the Pennsylvania Infrastructure Investment Authority (Pennvest) for the loan to the City of up to \$300,000.00 with interest not to exceed 1% per annum for the first 67 months and interest payable at the rate of 1.269% per annum for the remaining 180 months of the loan term with payments of interest and principal payable on the schedule set forth by the said Pennsylvania Infrastructure Investment Authority.

In compliance with Section 8161 of Act 177 of 1996, the members of the City Council have determined that applying for a loan from Pennvest is in the best interests of the local government unit. Therefore, the Guaranteed Revenue Note in the amount of \$300,000.00 herein authorized to be issued and sold is hereby awarded and sold to Pennvest in accordance with its acceptance of the City's loan application and the terms and conditions imposed by it to purchase the said Note at par, provided the said Note is dated the date of delivery thereof to Pennvest and is in the form set forth in Section 5 of this Ordinance; and further provided that the proceedings

have been approved by the Department of Community and Economic Development if such approval is required under the provisions of the Act.

SECTION 6. It is hereby authorized and directed that said Note shall be executed on behalf of the City by the Mayor and President of City Council and by the City Controller, and there shall be affixed thereto the City seal which shall be attested by the City Manager, and said Note shall thereafter be valid and obligatory for all purposes, and shall be entitled to all benefits conferred thereon under the provisions of this Note Ordinance. The Mayor and President of City Council or the City Manager is hereby authorized and directed to deliver said Note to the Pennsylvania Infrastructure Investment Authority.

SECTION 7. The City covenants with the holder of said Note, in compliance with Section 8104 of the Local Government Unit Debt Act, that it will budget and duly and punctually pay said principal and interest on said Note at the times and place and in the manner stated in said Note according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the City pledges its full faith and credit, revenues and taxing power. This covenant shall be specifically enforceable.

SECTION 8. The City covenants that it will continue diligently to completion with the construction of the replacement of the Southside Interceptor Line from the point of the Beaver Meadow Creamery on Maple Avenue to the house of Volunteer Hose Company No. 1 on Park Avenue, as promptly as practicable, all in accordance with the Plans and Specifications and Reports of the City's Consulting Engineers.

The City further covenants to levy and assess upon all persons and property subject to taxation for City purposes, an annual tax in each of the fiscal years that said Note shall remain outstanding, of so many mills as will yield amounts which, together with all other available general revenues of the City, including, specifically, those of the City's sewer system, shall be applied exclusively to said debt service charges on said Note as the same shall from time to time become due and payable. The collection of said tax, if any is necessary, shall commence with the fiscal year 2003.

In addition to the aforementioned, the principal of and interest on said Note to be issued pursuant to the aforementioned covenant shall first be payable out of the receipts and revenues of the City derived from the sewer rates and charges levied and collected by the City for the use of

the Sewer System, including all payments of sewer service charges from the Township of Sandy under and pursuant to the 1988 Guarantee and Service Agreement, dated as of December 1, 1988, and any amendments or modifications thereto or renegotiations or successors, thereof, between the City and the Township, after first paying therefrom the cost of operating, maintaining and repairing said Sewer System, and such net receipts and revenues shall be pledged to such payments, and said Note shall constitute a first lien against such net receipts and revenues so pledged, the payment of the principal and interest on said Note will be guaranteed by the City in the event and to the extent of any deficiency at any time in said pledged net receipts and revenues, and, accordingly, the City will declare that said Note shall be a general obligation of the City, for the prompt and full payment of all or any part of which, the full faith, credit and taxing power and resources of the City will be irrevocably pledged. This covenant shall be specifically enforceable and the City understands and intends that its pledge as above-stated of its full taxing power will be unlimited as to rate or amount.

SECTION 9. The required net moneys realized from the sewer rates and other charges, after payment of operating costs of the Sewer System, from taxes imposed hereunder (if any) and all other general revenue moneys of the City otherwise usable and required, and any required capitalized interest moneys from the Construction Account, shall be payable to the Pennsylvania Infrastructure Investment Authority at the times due in accordance with the attached schedule.

SECTION 10. The City Council herewith directs that the necessary documentation be filed with the Pennsylvania Department of Community and Economic Development so that the debt incurred hereunder may be approved as nonelectoral debt of the City with up to \$300,000.00 thereof being exercised as to the City as self-liquidating nonelectoral debt on the basis that the net sewer service charges for services furnished by the City's Sewer System, together with sewer service payments guaranteed by the Township of Sandy, will be sufficient to pay the total principal and interest on the Note that is anticipated to retire the Note. On this basis, it is hereby declared that the net nonelectoral debt (not excluded) of the City to be incurred hereunder, as represented by the Notes and subsequently the Note shall be \$0.00 and the self-liquidating nonelectoral debt (excluded) of the City to be incurred hereunder shall initially be up to \$300,000.00, which together with all presently existing net debt of the City will not be in excess of the constitutional limitations as set forth in the Local Government Unit Debt Act. The Mayor and President of City Council, the City Controller, and the City Manager are hereby further directed to prepare, execute and verify under oath a "Debt Statement" of the City in order to obtain approval for the Note, and to submit the same, together with an executed "Application for Approval" and executed "Debt Statement" and executed "Borrowing Base Certificate" and executed "Self-Liquidating Debt Exclusion Certificate" for the Note and the necessary filing fee to the Pennsylvania Department of Community and Economic Development pursuant to the Local Government Unit Debt Act as promptly as practicable. Upon approval by the Pennsylvania Department of Community and Economic Development, the "Certificate of Approval" and the "Self-Liquidating Debt Exclusion Certificate" shall be promptly filed with the Records of the City in accordance with the Local Government Unit Debt Act. The City Council also hereby approves and adopts the Consulting Engineers' cost estimates as set forth in Exhibit "A" attached hereto and the Consulting Engineers' Report submitted herewith. Said officers are also hereby further authorized and directed to perform all other acts and do all other things necessary to obtain said approvals and perfect such exclusion.

SECTION 11. All moneys derived from the proceeds of the loan and evidenced by the Note, including the payment of interest on the Note and repayment of principal as provided herein, shall be deposited in a sinking fund to be established in accordance with the provisions of the Local Government Unit Debt Act and the S&T Bank, DuBois Branch, shall be the sinking fund depository required to be appointed under said Act. The proper and appropriate officers of the City are hereby authorized and directed to contract for the services of the S&T Bank, DuBois Branch, as a sinking fund depository and to perform all actions necessary to comply with the requirements for the establishment of a sinking fund and the appointment of a sinking fund depository under the provisions of the Local Government Unit Debt Act.

SECTION 12. The City Council hereby further authorizes and directs that the City shall continue and complete its construction of the replacement of the Southside Interceptor Line from the point of the Beaver Meadow Creamery on Maple Avenue to the house of Volunteer Hose Company No. 1 on Park Avenue, pursuant to and in accordance with the Plans and Specifications and Reports previously provided by Fitzpatrick Engineering, of DuBois,

Pennsylvania, the Consulting Engineers for the City on this project, with said debt secured as provided hereunder and with said project to have an estimated useful life in excess of forty (40) years.

SECTION 13. The proper and appropriate officers of the City are also hereby authorized and directed to perform any and all other acts necessary and proper to be done as required by the Local Government Unit Debt Act, in connection herewith.

SECTION 14. All other ordinances or resolutions or parts of ordinances or resolutions not in accordance with this Note Ordinance are hereby repealed insofar as they affect this Note Ordinance.

SECTION 15. This Note Ordinance shall take effect five (5) days after the second and final advertisement of its adoption.
