Your 11/15/24 response indicating that you could not find relevant PUC Audits (records) not only is unacceptable, it doesn't make any sense.

The City of DuBois, Pa. underwent routine PUC Audits, specifically for water, for the past decades. There are records of these audits within the city system.

Please revisit, insure someone familiar with the city's record keeping policy and methods investigates and provides the requested and noted PUC Audits, and that the audits provide a definitive and clear conclusions.

Dear Ms. Suplizio,

Thank you for writing the City of DuBois with your request for information pursuant to the Pennsylvania Right-To-Know law.

On November 17, 2024, you again requested all City of DuBois, Pennsylvania PUC Audits, specifically for water, for the period 2008 thru 2014 inclusive insuring that PUC declarations and conclusions are included.

After receiving your second request for this information, we conducted a good faith, thorough search of the City of DuBois records, and contacted a consulting firm that previously worked on PUC related business on behalf of the City. We have determined that DuBois does not possess any responsive documents related to your request. Additionally, we again utilized the document search for audits on the PUC website for du Bois and no records were available. I've included the website for your information:
