City of DuBois, Pennsylvania

Waste, Recycling, and Electronics Collection Program

Waste Management is the exclusive provider of Residential, Commercial, and Industrial waste services for The City of DuBois.

Waste Management is proud to be your waste and recycling collection provider; we are grateful to have you as a customer.

This guideline provides some highlights of the services provided by WM.

Residential Services

Waste Collection: Residents are serviced curbside with resident-owned 30-gallon bags and/or cans by WM for all homes in the City of DuBois. A small bulk item may also be placed out for collection as well.

Recycling: Recycling Bins are provided by the City of DuBois for all residents. All recycling materials can be mixed together; no sorting is required.

Electronics and Bulk Items: City of DuBois residents can deliver electronics (TV's, Computers, Laptops, etc.), and items too large to be placed at the curb (no construction materials including wood and dry wall are accepted) to the City of DuBois Garage, 10 Parkway Drive, the first Wednesday of every month. Hours are: 7 AM - 7 PM (May - September) 7 AM - 3 PM (October - April). The average cost of recycling just one television is \$80, a big saving for City of DuBois residents!

Leaf Collection: The annual leaf pick-up is generally in mid-November after most of the leaves are down. Residents will be notified by newspaper, radio, and the display sign in the park a week prior to pick-up. Residents are to put untied bagged leaves at the curb.

Scheduling Special and Bulk Waste Pick Ups at WM.com: To schedule services, residents and businesses can create an on-line account by simply scanning the QR code below or visit us at WM.com. Residents using the WM on-line features can request services, monitor service progress, and receive service alerts.

Scheduling Special and Bulk Waste Pick Ups by

phone: Residents and businesses can also call our customer service center at 1.800-866-4460.

- To check the status of or report a missed pick up, press 2.
- To schedule a residential bulk or business pick up, press 3.
- To set up new service or make a change to your account, press 4 – provide address and you will be put in a queue to speak with our live agents.

Commercial And Industrial Services:

Waste and Recycling Collection: WM provides a complete menu of waste and recycling services for commercial and industrial accounts at special City of DuBois rates. To start new services or change an existing service, email us at capitalsales@wm.com or call 800-866-4460 and press option 4.

Temporary Roll-Off Container Services for larger construction projects at special City of DuBois rates can be requested by emailing us at delmarvaconstructionservices@wm.com or call 866-539-0403.

Small construction projects can be easily handled with the WM "Bagster" Program. The Flexible Option for Big Cleanups. The Bagster® bag folds up neatly enough to fit on store shelves, yet holds up to 3,300 lbs. of waste and debris. Best of all, you could have one at your home or site today.

Bagster will begin soon in 2025.
