

Important Notice for Sandy Township Taxpayers

Please be advised that the Sandy Township Tax Collector is no longer accepting tax payments as of December 31, due to the consolidation of Sandy Township and the City of DuBois.

Taxpayers with outstanding Sandy Township tax payments, or any taxpayer that believes they have received a late notice in error, will need to wait until after February 1 to make final payments at the Clearfield County Tax Claim Office.

After February 1, please contact the Clearfield County Tax Claim Office to confirm they are available to accept payments for tax records that have been returned to their office from the former Sandy Township Tax Collector.
